Direct Cremation Plan

A sample itemized quote, line by line, with the least expensive container.

Every line of it

This is what a direct cremation costs here, itemized, with nothing left off. It's a sample rather than a quote for your family, and your own figures depend on what you choose. Nothing below turns up later as a charge you weren't told about.

THE ITEMIZED QUOTE

Direct Cremation Plan

Cremation with no viewing and no ceremony. Everything it needs is in the price.

Why our prices are what they are: we own and operate our own crematory on site, our own staff do the transfers, and nothing is handed to a third party. Family owned since 1868.

WHAT DIRECT CREMATION IS

Direct cremation, sometimes called simple cremation, is cremation with no viewing and no funeral ceremony. We bring your loved one into our care and carry out the cremation. That's all it is.

Afterward we return the cremated remains to you, either in a temporary container or in an urn you pick.

Plenty of families who choose direct cremation still hold a celebration of life, a memorial service or a private gathering later, in their own time. Choosing this doesn't mean giving up a service.

WHAT'S INCLUDED

- Professional staff services
- Transfer to funeral home (within 30 mi.)
- Cremation fee
- 4 certified death certificates
- Medical examiner review
- Plan discount applied
- Basic cremation container

IF YOU WANT A DIFFERENT CONTAINER

Trayview Alternative Container, $480

The quote above uses a **Trayview Cremation Container** ($480), the least expensive one. You can move up to a different container, or a rental casket if you want a viewing first:

CONTAINER OPTIONS

- **Trayview Container**: $480 (shown in quote above)
- **Rental Casket**: for families who want a viewing before the cremation
- **Cremation Caskets**: wood caskets suitable for cremation, from $1,540

This is an example, not a quote for your family. Your own figures depend on what you choose. Sales tax applies to merchandise only. Services and transportation are tax-exempt. Prices effective as of the date of arrangement.

Ask me for your own figures

Additional services can be added to any direct cremation plan, including viewing time, a ceremony, and more death certificates. Tell me what you want and I will put your own itemized quote in writing, with no obligation.
