Most families need 8 to 12 certified death certificates to settle accounts. We order those for you. Nothing on this page has to happen before you call.

One call starts everything. We bring your loved one into our care and walk through the rest of this page with you, one step at a time. **Martice Morrison** · Family Service and Advanced Planning Director · **(206) 445-9794** · mmorrison@bonneywatson.com · 16445 International Blvd, SeaTac, WA 98188
