Funeral Plan Information

What I need to set up a funeral plan

This is what I need to set up a funeral plan, whether it's for you or for someone else, like a parent. Section 1 is about you. If the plan is for someone else, section 2 is about them. Planning for two people? Use one copy for each. Type into this PDF and save it, or print it and write by hand, then bring it with you or email it back to me. Spell names exactly as they should appear, and leave blank anything you're unsure of.

Social Security numbers can't be typed into this PDF, on purpose, and payment details aren't on it at all. If you print this and bring it to me in person, you can write the Social Security numbers in by hand. If you're emailing it or sending a photo, leave those boxes blank. We'll fill them in together, or you'll enter them yourself on a secure DocuSign form I send you.
