When more than one person is next of kin

Use this sheet when more than one person is next of kin with an equal say, like several adult children or brothers and sisters. List each of them, including yourself. I'll let you know whose signatures are needed. Type into this PDF and save it, or print it and write by hand, then bring it with you or email it back to me. Spell names exactly as they should appear, and leave blank anything you're unsure of.
