

Scattering Garden Options

A peaceful place of remembrance and permanent memorialization at Washington Memorial Park.

SECTION 1

Why Choose a Scattering Garden?

A permanent place with a memorial, so there is somewhere to visit

A Permanent Place — Our gardens at Washington Memorial Park are consecrated ground, maintained by the cemetery, where cremated remains are returned to the earth and the family keeps an address to come back to.

A Name to Visit — Unlike scattering somewhere private or remote, our gardens give you an engraved plaque or granite marker — a name in a place families can actually go.

A Place to Return — Somewhere permanent to come back to, cared for and open to you, inside Washington Memorial Park.

SECTION 2

Rose Scattering Garden

Section 18 · Garden of Flowers Scattering Garden

SECTION 5

Understanding Your Package

What every scattering garden package includes

EACH PACKAGE INCLUDES

- Space Purchase
- Endowment Care Fund (ECF)
- Scattering Service Fee
- Recording Fee
- Memorial Plaque / Engraving

Scattering Space — Your designated right to have your loved one's cremated remains scattered within the chosen garden. Each space is a permanent, reserved location in the cemetery grounds — an address your family can always return to.

Endowment Care Fund (ECF) — A one-time contribution to the cemetery's perpetual care fund, which keeps the scattering garden and the grounds around it maintained and cared for permanently.

Recording Fee — Covers the official documentation and permanent registration of the interment with Washington Memorial Park. This creates a permanent record of where they were scattered, and gives the family certified documentation of it.

Memorial Plaque / Engraving — A permanent, personalized marker placed within the scattering garden to honor your loved one. Depending on the garden, this may be a granite memorial plaque, a bronze plaque, or an onsite granite engraving — each a lasting tribute families can visit and find comfort in for years to come. Tax (10.4%) applies to this item.

Sales tax (10.4%) applies to memorial plaque/engraving only. All other fees are tax-exempt. Prices subject to change without notice. All fees listed are per interment.
