

SCATTERING GARDEN OPTIONS

A Peaceful Place of Remembrance & Permanent Memorialization

Why Choose a Scattering Garden?

- A Sacred Final Resting Place** — Our gardens at Washington Memorial Park offer a beautifully maintained, consecrated space where your loved one's cremated remains are lovingly returned to the earth — a permanent address to return to.
- Permanent Memorialization** — Unlike private or remote scattering, our gardens provide an engraved plaque or granite marker — a lasting tribute families can visit, grieve at, and find comfort in for generations to come.
- A Place to Return** — Families deserve a permanent destination for remembrance — one that is professionally cared for, beautifully landscaped, and always accessible within Washington Memorial Park.

UNDERSTANDING YOUR SCATTERING GARDEN PACKAGE

- Scattering Space**

Your designated right to have your loved one's cremated remains scattered within the chosen garden. Each space is a permanent, reserved location within Washington Memorial Park's beautifully maintained grounds — a sacred address your family can always return to.
- Endowment Care Fund (ECF)**

A one-time contribution to the cemetery's perpetual care fund, ensuring the scattering garden and surrounding grounds are professionally maintained, landscaped, and preserved in perpetuity — so the space remains a dignified place of peace for generations to come.
- Recording Fee**

Covers the official documentation and permanent registration of the interment with Washington Memorial Park. This creates a lasting record of your loved one's final resting place, providing families with certified documentation and peace of mind.
- Memorial Plaque / Engraving**

A permanent, personalized marker placed within the scattering garden to honor your loved one. Depending on the garden, this may be a granite memorial plaque, a bronze plaque, or an onsite granite engraving — each a lasting tribute families can visit and find comfort in for years to come. Tax (10.4%) applies to this item.
