Flowers for the Service

FLOWERS BY LOVE'S BUDS & BLOOMS

Every arrangement in this catalog is designed and made by Love's Buds & Blooms, the florist that shares our address at 16445 International Boulevard. We offer their flowers on their behalf, and we work hand in hand with them for the families we serve.

How this catalog is laid out

Arrangements are grouped by type, starting with the flowers on and around the casket, then the pieces for the service and the family home, and ending with complete matching collections. Within each type they run from the lowest price to the highest.

Each listing shows the photo, the price, the flowers and greenery in the arrangement as Love's Buds & Blooms describes it, and the item number. Some arrangements come in more than one size; those show each size and its price.

A NOTE ON PRICES

Prices are Love's Buds & Blooms' listed prices as of October 2026, from $54.99 to $1,600, and may change. They don't include delivery, add-ons or sales tax.
